Wipro Hacked in "Advanced" Attack Targeting Customers

@BeeFaauBee09

Think About It !

- Social Media Accounts are Hacked?
- Competitor stealing Trade Secrets ?
 - Celebrity and disclose PII ?
 - Disgruntled Employee?

Here To Help !

1. Complex Password with 2FA
2. Anti-virus
3. Network
4. Lock your Device
5. Genuine Windows
6. Awareness for employees
7. Backup

Security =! Life Harder
Think like Attacker

Thank You
